The management of the operations of the Office of the Sheriff, the determination of its mission, policies, budget and operations, the manner of exercise of its statutory functions and the directions of its work force, including, but not limited to the right to hire, promote, and demote consistent with the provisions of the Agreement and the Merit Commission statutes, rules and regulations ; to relieve employees from duty because of lack of work or other legitimate reasons; to determine the existence of such work shortage, to establish manning requirements; to make and enforce reasonable job rules and job regulations and to enforce penalties for their violation; to evaluate employees; to determine the departments, divisions and sections and work to be performed therein; to determine the standards of professionalism required of the employees and, from time to time, to change those standards; to establish standards for equipment, uniforms, dress and grooming; to determine the shifts per work week and starting times of shifts; to establish and change work schedules and assignments; to assign overtime; to determine whether goods or services shall be made or purchased; to determine job content; to introduce new or improved methods of operation; and to maintain efficiency in the department, is vested exclusively in the Employer, provided the exercise of such rights of management does not conflict with any of the express written provisions of this Agreement.

4.02 The Sheriff is explicitly given the right to utilize members of this bargaining unit in order to perform work normally performed by other bargaining units with the Champaign County Sheriff s Office, in emergency situations, such as cases of civil unrest, natural or major disasters, riots or other such emergencies.

5.00 SUBCONTRACTING

5.01 No bargaining unit work shall be given to any contractor or subcontractor when it would result in the layoff of working bargaining unit employees. This provision shall not limit Employer from contracting or subcontracting as it has in the past.

5.02 All services provided by the Office of the Sheriff outside usual functions and responsibilities of the Office of the Sheriff will be contracted through the Office of the Sheriff. All personnel provided to staff those contracts will be provided through shift sign-up or the callback process, as stipulated in the Callback Article, excluding village part-time patrol contracts.

5.03 Bargaining unit members shall not subcontract their individual services as peace officers, but will provide their services through contracts to be entered into by the Office of the Sheriff. Employees in unit will staff those contracts through callback. Subcontracting by bargaining unit members shall not be defined to include jobs which do not utilize Sheriff's equipment, uniforms, and/or the necessity to be commissioned by the Sheriff's Merit Commission.

6.00 RESIDENCY

6.01 All employees are required, as a condition of their continued employment with the Employer, to have their place of abode in Champaign County and to be bona fide residents of Champaign County for the life of their employment with the Employer. New employees must establish residency within Champaign County within two (2) months of their employment unless extended by mutual agreement.

7.00 PROBATIONARY, PART-TIME AND TEMPORARY EMPLOYEES

7.01 A new or rehired employee, filling a job classification covered by this Agreement, shall be subject to an initial probationary period of eighteen (18) months of continuous service to determine his ability and fitness for the work. The Sheriff shall have the sole right to determine his suitability during such probationary period. The employee will not have or accumulate seniority during the probationary period. The right to discharge, discipline or rehire an employee during the probationary period shall be vested exclusively with the Sheriff, and shall not be the subject of grievance.

7.02 An employee transferring to a job classification within the division or transferring to another division with the Office of the Sheriff shall be subject to an evaluation period of one year continuous service to determine his/her ability and fitness for work within that specialized unit. The Sheriff shall have the sole right to determine his/her suitability during this period. The right to transfer the employee back to his/her previous specialized unit during the probationary period shall be vested exclusively with the Sheriff. The sole remedy for failing to satisfactorily complete the evaluation period due to inability to perform job functions shall be the return to the previous job classification. The Sheriff shall retain the ability to discipline or terminate a transferred employee during the probationary period for affirmative misconduct.

7.03 Upon satisfactory completion of the probationary period, an employee shall be credited with his seniority beginning from the date of his continuous employment within the division, and shall receive all other rights and benefits for which a regular employee is eligible.

7.04 In the Law Enforcement Division, Civil Process Section, Employer shall have the right to employ part-time and temporary employees to staff vacancies due to illness for periods from two (2) weeks to twelve (12) weeks in length. Such part-time and temporary employees shall not be covered by the terms of this Agreement.

8.00 NO STRIKE

8.01 Neither the Union, its officers, or agents, nor any employees will call, initiate, authorize, participate in, sanction, encourage, or ratify any strike, slowdown, work stoppage or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Neither shall they refuse to cross any picket line by whomever established.

8.02 In the event of action prohibited by paragraph 8.01 above, the Union immediately shall disavow such action and request the employees to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations.

8.03 Upon the failure of the Union to comply with the provisions of paragraph 8.02, above, any agent, member, or official of the Union who is an employee covered by this may be subject to the provisions of paragraph 8.04, below.

8.04 Any employee who violates the provisions of paragraph 8.01 of this Article shall be subject to immediate discharge. Any action taken by the Employer against any employee who participates in action prohibited by paragraph 8.01, above, shall not be considered as a violation of this and shall not be subject to the provisions of this grievance procedure, except that the issue of whether an employee, in fact, participated in a prohibited action shall be subject to the grievance and arbitration procedure.

8.05 The Employer will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Union.

9.00 SENIORITY

9.01 Seniority shall, for the purpose of this Agreement, unless specified otherwise, be defined as an employee's length of continuous full-time service since his last date of hire within the division. Employees shall not be credited with their seniority until their probationary period has been completed. Seniority shall apply where expressly required by a provision of the Agreement.

- 6) He does not report for work after the expiration of an approved leave of absence ; or
- 7) He retires.

9.03 Should it become necessary to reduce the number of Patrol Sergeants, the affected Sergeant(s) shall be returned to a patrol deputy position. The Sergeant with the least amount of Sergeant seniority shall be displaced first, then the next Sergeant with the least seniority and so forth, until the reduction needs are met. When he is returned to a Patrol Deputy status, his seniority shall be a total of time accrued from his original date of hire within the Law Enforcement Division (Patrol Deputy and Patrol Sergeant time combined).

9.04 Any employee placed on unpaid status do to discipline, leave of absence or any other unpaid status approved by the Sheriff, excluding FMLA, shall not accrue seniority during such leave.

9.05 Whenever the term "Sergeant Seniority" is written within this agreement, the term shall refer to the length of service within the Classification or rank of Sergeant, from the date of rank. The Sergeant with the most time in rank shall be more senior to the next Sergeant with less time in rank.

10.00 HOURS OF WORK

10.01 The work period shall be Sunday through Saturday, and shall consist of eighty (80) hours within a pay period.

10.02 In the Law Enforcement Division, the normal workday for Patrol Division will consist of twelve (12) consecutive hours with an interruption of forty-five (45) minutes paid lunch at or near the midpoint of the shift. The normal work period shall be defined as eighty (80) hours in a fourteen (14) day period for all employees scheduled to work twelve (12) hour days.

The normal work-day for Civil Process Division will consist of ten (10) consecutive hours, with an interruption of one-half hour paid lunch at or near the midpoint of the shift. The normal work period shall be defined as four (4) ten (10)-hour shifts per week, with the Deputy responsible for the Sheriff's Sale having Saturday, Sunday, Monday as their off days each week and the Deputy not responsible for the Sheriff's Sale having Friday, Saturday, Sunday as their days off each week.

The Investigations Division will begin the workday at approximately 8:30 a.m. at the Law Enforcement Center and end its day at the completion of the eight (8) hour shift. The start and end times for employees in the Investigations Section shall remain flexible so as to allow them to complete their assigned tasks. Nothing in this Section shall be read to diminish any overtime benefits pursuant to the Overtime Article. The Patrol and Civil Divisions will begin the workday when the employee goes "on the air" for the employee's scheduled workday, and will end when the employee goes "off the air" for the employee's scheduled workday. An employee in the Law Enforcement Division may from time to time be required to forego lunch as needed by the demands of his job as determined by his supervisor; and the employee will not earn additional pay if he must forego lunch. One Sergeant's workday on each shift may end fifteen (15) Minutes later than the normal workday if there is information to pass on to the next shift.

During the school year, School Resource Officers work the school calendars and hours. During the summer, School Resource Officers will be assigned a twelve (12) hour patrol shift and advised of that shift at least thirty (30) days in advance of the summer hours going into effect.

Members assigned to, Light Duty, Limited Duty assigned in lieu of sick (injury) and Administrative Duty will work the traditional eight (8) hour, five (5) day workweeks.

Members working the St. Joseph and Savoy Contract cars and the cover car will have hours as determined by Employer prior to biannual shift sign-up.

10.03 All employees will normally be allowed two (2) paid fifteen-minute (15) breaks; one during the first half of the shift and one during the second half of the shift.

10.04 This Article is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day or per week or of days of work per week.

10.05 The Parties agree to meet and in good faith review, discuss and if in agreement implement alternative work schedules during the term of this Agreement. Any mutually agreed- do schedule adopted as the result of such review shall be experimental in nature and continued only upon the agreement of the Parties.

10.06 In the event an employee requests vacation or compensatory time off and such time off would bring the staffing below the preferred staffing levels and there is at least one Bargaining Unit Member off on Military Reserve Duty, the Sheriff agrees to authorize voluntary hire back to fill the vacancy created by the employee requesting the use of vacation or compensatory time off. Before the Sheriff authorizes voluntary hire back, the employee must use any accrued personal leave, if it is available, and attempted, in good faith, to duty trade with other Deputies. Evidence of a good faith attempt to duty trade would be an email requesting same to all staff. In no case will another employee be mandated to fill such a vacancy should no volunteers be found. If there are no volunteers, the requested time off will be denied.

10.07 Shift Sign-up. During the Sign-up, Sergeants will select their teams and short days first by seniority (time in grade). Sergeants on the same team, cannot pick the same short day. Once the Sergeants have made their selection, the sign up will be posted for the Deputies to sign up by overall seniority. Deputies will not be able to select the same short day as the Sergeant, unless there are more than seven (7) total, both Sergeants and Deputies on a team.

One Patrol Deputy on each team will work one (1) 8-hour shift in the fourteen (14)-day period. No two (2) Patrol Deputies will have a short shift on the same day. Short shifts will be taken at the beginning of Day Shift (0600-1000) and end of Nights Shift (0200-0600).

One Sergeant on each team will work one (1) 8-hour shift in the fourteen (14)-day period. No two (2) Sergeants will have a short shift on the same day. Short shifts will be taken at the beginning of Day Shift (0600-1000) and end of Nights Shift (0200-0600).

Senior K9 Deputy may choose shift/team (not SJO/Savoy), but ultimately there must be one (1) K9 spot on each Night Team.

10.08 Shift Bidding. Should, towards the end of a shift bid, contract car or civil process shifts remain unfilled, then the corresponding number of the least senior non-T.B.A. Deputies shall bid those for positions by seniority. For example, if three (3) contract car shifts are left remaining when the last three (3) non-T.B.A. Deputies bid, then those three (3) Deputies must bid for a contract car position. For purposes of this Article, a "non-T.B.A. Deputy" shall mean any Deputy with more than two (2) years of consecutive service within the Patrol Division of the Sheriff's Office. When applicable, designated assignments for TBA's will be noted on the signup at time of posting.

11.00 OVERTIME AND COMPENSATORY TIME

11.01 It is understood that because of the nature of the Office of the Sheriff operations, the Employer has a right to direct employees to work hours outside of their regularly scheduled shift.

11.02 All employees required and authorized work in excess of their normal work day or eighty (80) hours in a fourteen (14) day pay period (including the fifteen (15) to thirty (30) minutes worked by Sergeants under Section 11.02) will be compensated 1 1/2 times the employee's regular rate of pay for all hours worked over their normal workday or eighty (80) hours in a fourteen (14) day pay period. In lieu of overtime compensation, at the discretion of the employee, the employee may earn compensatory time off at the rate of 1 1/2 hours for each hour worked for which overtime would otherwise be paid. Compensatory time off may be accrued up to a maximum of sixty (60) hours. Any employee who has accrued sixty (60) hours of compensatory time off shall, for additional overtime hours of work, be paid overtime compensation. Requests for compensatory time off of more than two (2) days shall be submitted by the employee at least five (5) working days in advance of date of time off. The request will be approved or denied within seventy-two (72) hours of the date and time of request. Requests for compensatory time off for two (2) days or less may be submitted with no advance notice. Requests for compensatory time off shall be made by the employee to the shift commander. No employee may take compensatory time off without the approval of the shift commander if granting that time off would put the employee's shift below the minimum staffing levels. Approval of compensatory time off will not be withdrawn in the event the use of sick leave or personal leave causes the shift to fall below the minimum staffing level.

12.00 CALLBACK

12.01 A call back is defined as an official assignment of work which does not continuously precede or follow an officer's regularly scheduled working hours. In the Law Enforcement Division, employees who are called back shall be paid at the applicable rate when they come on the air until they sign off. However, they shall receive a minimum pay of two (2) hours at the applicable rate.

12.02 There shall be maintained a shift callback list by division. Each employee shall have the opportunity to sign up for any/all duty shift list.

When callback is necessary, the most senior employee not assigned to work, who is on the list for that duty shift shall be contacted. A callback log shall be available to employees.

Each callback log shall have the record of the date, time, caller and employees who were contacted or called. Documentation shall be available for one month after the callback. Each subsequent callback shall begin with the employee on the list next senior to the employee who last received callback. If the supervisor does not personally contact the employee, the supervisor shall contact the next most senior employee.

On any individual occasion if the callback list for that duty shift is exhausted, callback shall be assigned, starting with the last senior employee who is not on initial probationary training and who has not already been assigned callback. When assigning mandatory patrol callback under this clause no employee will be required to work more than sixteen (16) hours in any twenty-four (24) hour period, except when called back for bona fide emergencies or where specialized skills are required. However, callback shall not be required for bona fide emergencies or where specialized skills are required.

Callback hours will be offered, and deputies may accept overtime in, blocks of four (4) hours, unless a shorter increment is necessary to meet preferred staffing levels.

A new sign-up list shall be posted effective the second Sundays in January and July.

Deputies who do not sign up for the Patrol Callback list shall not be subject to Mandatory Patrol Callback and are not eligible to sign up for Voluntary Patrol Overtime Events.

Vacancies shall be filled via Voluntary Command Callback followed by the designation of a Shift Upgrade if no Sergeant accepts the overtime.

The sole remedy for failure to properly offer callback shall be that the employee's name is to go to the top of the list.

12.03 Investigators who are called back shall be paid at the applicable rate when they come on the air until they sign off. However, they shall receive a minimum of two (2) hours at the

applicable rate.

13.00 HOLDOVER

13.01 Holdover is defined as official assignment of work which continuously precedes or follows an officer's regularly scheduled working hours.

13.02 In the Law Enforcement Division, employees who are held over shall be paid at the applicable rate when they come on the air that working day.

13.03 Any employee held over shall receive a minimum of one (1) hour at his/her overtime rate.

13.04 When an officer is held over beyond his/her regularly scheduled work day, all such extra work time shall be considered and compensated as overtime. Holdover will be limited to a maximum of two (2) hours, at which time the callback, as described in the Callback Article will be utilized.

13.05 Holdover shall be offered to all employees on a shift prior to direction for holdover by the shift commander to any employee on said shift.

14.00 SHIFT ASSIGNMENT

14.01 Twice a year the Office of the Sheriff shall conduct a sign-up for duty shifts and days off by job classification for the Law Enforcement Division. Shift sign-up shall be posted sixty days prior to the second Sunday in January and the second Sunday in July. The final list showing shift assignment shall be posted thirty days prior to the second Sunday in January and the second Sunday in July. Once posted, the senior person shall have forty-eight (48) hours to select duty shift and days off. Each successive person shall sign up accordingly. The shift assignments shall go into effect the second Sunday in January or the second Sunday in July following sign-up.

14.02 Employees with less than two (2) years' service in their job classification shall not be eligible to participate in the sign-up. The Sheriff, at his discretion, shall determine the duty shifts and days off for each of these employees. The Sheriff, at his discretion, may change the duty shift or days off of any of these employees during the year.

14.03 All employees with more than two (2) years' service in their job classification shall sign up for duty shifts and days off by seniority. Under extraordinary circumstances, the Sheriff has the authority to change any employee's duty shift or days off.

15.00 LAYOFF AND RECALL

15.01 A layoff is defined as a decrease of the existing work force or an abolishment of an existing position. Layoff shall be by job classification. Employees shall be laid off in inverse order of seniority. If temporary or part-time employees are doing bargaining unit work at the time of a layoff, bargaining unit members shall be first offered those temporary or part-time positions in lieu of layoff. The Employer agrees not to hire civilian personnel to perform the duties that are currently being performed by bargaining unit employees or duties that only a peace officer can perform. A peace officer shall be defined to mean any person who, by virtue of his office, is vested by law with a duty to maintain public order and make arrests for offenses.

15.02 When a vacancy occurs in the bargaining unit, employees shall be recalled by job classification in the inverse order in which they were laid off and in accordance with the provisions on seniority herein. An employee's right to recall shall be for a period of eighteen (18) months. The employees shall retain and accumulate seniority during such layoff.

15.03 To be eligible for recall, a laid off employee shall notify the Employer of his intention to return to work within three (3) days of the time when the notification of recall is mailed to his last address known to the Employer . Further, the employee shall return to work within fourteen (14) days of that date.

16.00 WAGES

16.01 Effective January 1, 2020, all employees in this unit shall be paid according to the pay scale reflected in Appendix A.

16.02 All retroactive pay increases to January 1, 2020, shall be paid on all hours paid and shall be paid within sixty (60) days after this Agreement is signed.

16.03 Employees shall receive the "Years of Service" increase in Appendix A on the anniversary date of hire. Employees shall receive the Annual Percentage Increase in Appendix A on, January 1, 2020, for fiscal year (FY) 2020, January 1, 2021 for fiscal year (FY) 2021, and January 1, 2022 for fiscal year (FY) 2022.

16.04 Lateral Entry Pay – Should the Sheriff adopt a lateral entry hiring program in the hiring of new employees, the Union agrees that such employee(s), for pay purposes only, may be started up to Year 3 step of the wage schedule. The lateral entry employee will remain at that step until his/her years of service with the CCSO equal three complete years; after which the employee will then begin advancing through the schedule.

16.05 Special Duty Pay- Officers assigned to the following duties shall receive the following additional pay:

A. Investigator's Pay

Employees designated as Investigators on January 10 and July 10 will receive an additional \$600.00 on that date. This amount will be paid in a lump sum payment. Newly assigned investigator's amount will be prorated by the number of months left in the fiscal year.

B. Field Training Instructor's Pay

Officers within the Law Enforcement Division shall be designated in writing by the Sheriff as Field Training Instructors (FTI). Such designated officers shall have the responsibility of training and evaluating probationary officers. For such duty, the FTI shall be paid an hourly rate of three dollars (\$3.00) per hour for each hour of such assignment. Additional compensation for FTI assignment shall not be subject to overtime.

C. Canine Officer Pay

Because of the necessity for daily care of an animal, the Canine Officer shall be compensated for thirty (30) minutes per day (7) seven days a week for time spent while attending to a canine issued by the Sheriff. Overtime shall be compensated for all hours of work after eleven and a half (11 ½) or seven and a half (7 1/2) on short days and on regular scheduled days off (including weekend).

D. On-Call Investigator Pay

An officer who is required to be on-call shall be compensated one hour per day.

Employees shall not have the right to sell unused vacation time back to the Employer, except upon resignation or termination, including dismissal or reduction in force. When selling back vacation time, an Employee is entitled to be paid for all unused accrued vacation time, including reserve, at one hundred percent (100%) of their current hourly rate.

17.03 Reserve

Any vacations days contained in the reserve account at the time of this Contract remain in that account until used by the Employee. Vacation days placed in reserve do not count toward maximum accrual. Vacation days in reserve may be sold back pursuant to Section 17.02 or used under the same terms as vacation days not in reserve. Unless an Employee designates otherwise, a vacation day will only be counted against days in reserve if the Employee has no other accrued vacation time to use.

17.04 An employee cannot take vacation prior to successful completion to twelve (12) months of employment.

17.05 The rate of vacation pay shall be the employee's regular straight-time hourly rate of pay in effect for the employee's regular job at the time the vacation is being taken.

2) The Deputy or Sergeant with the most overall seniority will have his/her first request observed first, the second most senior Deputy or Sergeant will then have his/her first request observed and so on until all members of a shift have had their first request observed.

3) The Deputy or Sergeant with the most overall seniority will have his/her second request observed, followed by the next most senior member of the shifts second request and so on.

4) In the event a Deputy or Sergeant's top choice in any round of observing vacation time is unavailable, the member's next choice (or choices in order thereafter) will be used before moving down the seniority list.

5) Members may also request during vacation signup that if a portion of their vacation choice is unavailable, that personal leave (PL) time be used in conjunction with vacation time in order to secure the other vacation dates that are available, prior to moving down the seniority list. If at a later time the date(s) covered by personal

Requests for vacation time off for two (2) days sixteen (16) hours or less may be submitted with no advance notice. Requests for vacation time off will be made to the Shift Commander. It is necessary to limit the number of employees off at any one time within a job classification; and, therefore the final right to designate the vacation period is exclusively reserved by the Sheriff in order to ensure minimum staffing levels. Approval shall not be unreasonably withheld to those with unused accrued vacation time. In the case of an emergency, vacations may be canceled and rescheduled in advance of their being taken.

17.08 If an employee is denied vacation requested due to operational needs of the employer; or if a vacation is cancelled due to an emergency and, as a result, the employee would otherwise be unable to accrue additional vacation due to the maximum accrual stated in Section 17.01 (the cap), the employee shall be allowed to accrue vacation time in excess of the cap, provided that the employee schedule and use the excess vacation time within thirty (30) days of reaching the cap. 18.04 The minimum charge against personal leave shall be two (2) hours. The Employer shall not require an employee to give a reason as a condition for approving the use of personal leave, provided however, that prior approval for the requested leave must be obtained. Such approval shall not be unreasonably denied. Whenever possible, prior approval must be requested twenty-four (24) hours in advance of the leave. Personal leave shall be requested by the employee to the shift commander and shall be granted on a first-come-first-served basis. When employees' selections of personal days are in conflict, the conflict shall be resolved on the basis of seniority.

If the employee fails to supply evidence to the Employer, the Employer shall have the right to reject the claim for sick leave. Upon the employee's first tour of duty following sick leave, the employee shall complete and file with his supervisor a departmental sick leave report.

19.04 Sick leave pay shall be at the employee's regular straight-time hourly rate, exclusive of overtime or other premiums. Step 1: Any employee who has a grievance shall submit it in writing within ten (10) business days to his non-unit supervisor, who is designated for this purpose. The supervisor shall give his written answer within three (3) business days after such presentation. A business day is defined as Monday through Friday except those days designated as holidays in this contract.

Step 2: If the grievance is not settled in Step 1 and grievant wishes to advance the grievance to Step 2 of the grievance procedure, it shall be referred in writing to the Sheriff within ten (10) business days after the designated supervisor's answer in Step 1 and shall be signed by both the employee and the Union representative. The Sheriff, or his designated representative, shall discuss the grievance within five (5) business days with the employee and the Union representative at a time mutually agreeable to the parties. If no settlement is reached, the Sheriff, or his designated representative, shall give a written answer to the employee within five (5) business days following their meeting. If the grievance is not settled in Step 2 and the grievant desires to continue, it may be referred to arbitration pursuant to Section 31.03 of the Agreement.

Employer Grievance

31.02 If the Employer has a grievance, its representative shall take the matter up first with the Union representative and they shall attempt to adjust the matter. If they fail to agree upon a settlement within five (5) days, the Employer and the Union shall reduce their respective positions to writing and then the Employer may request that the grievance be referred to arbitration in accordance with the Agreement.

Arbitration

31.03 If the grievance is not settled in accordance with the foregoing procedure, the employee may refer the grievance to arbitration within fifteen (15) business days after receipt of the Step 2 decision or the Chairman's answer pursuant to the Safety Issues Article. The parties shall attempt to agree upon an arbitrator within five (5) business days after receipt of notice of referral to arbitration, and in the event the parties are unable to agree upon an arbitrator within said five (5) day period, the parties shall immediately jointly request the American Arbitration Association or the Federal Mediation and Conciliation Service to submit a panel of arbitrators.

Each party has the right to strike two (2) names from the unrejected panel. A flip of the coin shall determine which party shall strike the first name, and then the other party shall strike the

second name. This process will be repeated and the last remaining person on the list shall be the arbitrator. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Union, requesting that he set a time and place, subject to the availability of the Employer and Union representative.

Authority of Arbitrator

31.04 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He shall consider and decide only the specific issue submitted to him in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted to him. The arbitrator shall be without power to make decisions contrary to or inconsistent with, or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Employer under law and applicable court decisions. The arbitrator shall submit in writing his decision within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator, made in accordance with the jurisdiction and authority granted to the arbitrator pursuant to this Agreement, shall be final and binding.

Expenses of Arbitration

31.05 The fee and expenses of the arbitrator and the cost of a single copy of a written transcript of the arbitration, if there is one, for the arbitrator, shall be divided equally between the Employer and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript, if any.

31.06 Time Limit for Filing

31.06.1 No grievance shall be entertained or processed unless it is submitted within the time frame provided in Step 1 above, or within three (3) working days after the employee or the Employer becomes aware of the occurrence of the event giving rise to the grievance.

31.06.2 The time limit in each step may be extended by mutual written agreement of the Employer and employee or Union representative. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The term "business days", as used in this Article, shall mean the days when the employee or employees affected by the grievance are scheduled to work.

32.01 The parties recognize that the Champaign County Merit Commission has certain statutory authority over employees covered by this Agreement pursuant to the Sheriff's Merit Commission Act, as amended, and County resolutions adopting that statutory system. Nothing in this Agreement is intended in any way to change the statutory authority and jurisdiction of the Merit Commission. The parties agree that those provisions of the Discipline and Discharge Article concerning the right to process grievances concerning disciplinary matters is intended to create an alternative procedure which may be elected for resolving disciplinary matters which would otherwise fall under Merit Commission jurisdiction.

This election of form must be made in writing not later than final date for referring any such grievance to binding arbitration under the Grievance Procedure Article. This election is irrevocable. The right to have a hearing before the Merit Commission and the right to pursue disputes regarding disciplinary actions under grievance procedure are mutually exclusive, and under no circumstances shall an employee or the Union have the right to refer such grievances to arbitration however, this shall not limit the right of the individual employee to pursue the matter before the Merit Commission with or without Union approval.

33.07 If the employee and/or the Union fail to make their election of forum pursuant to 33.06, the matter cannot be further pursued through the Merit Commission.

Specific grievances being processed under the grievance procedure shall not be considered at "labor-management conferences" nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings. Disputes arising as a result of such conferences shall not be the subject of grievance. The refusal to meet more than three (3) times each year shall not be the subject of grievance.

37.03 Attendance at labor-management conferences shall be voluntary on the employee's part, and attendance during such meetings shall not be considered time worked for compensation purposes. Normally, three (3) persons from each side shall attend these meetings, schedules permitting.

Such employees will not be paid for time while attending bargaining sessions during which they would otherwise not be scheduled to work. In the event the Union negotiating team has more than two (2) employees regularly attending scheduled bargaining, the paragraph can be reopened for the purpose of negotiating time off and pay to affected employees.

39.00 DUES DEDUCTION

39.01 Upon receipt of an appropriate written authorization from an employee, the Employer agrees to deduct Union dues and initiation fees, if any, from such employee's pay. The Union will notify the Employer in writing of the amount of the uniform dues and fees to be deducted. The Union shall advise the Employer of any increase in dues or fees in writing at least thirty (30) days prior to its effective date. Deductions shall be made each pay period and shall be remitted biweekly to the Union at the address designated in writing to the Employer by the Union. Employer shall be obligated to make such deductions until notified in writing that the employee is revoking or amending the authorization.

39.02 The Union shall indemnify, defend and hold the Employer harmless against any claim, demand, suit, liability, damages, and costs of defense, including reasonable attorney's fees arising from any action taken by the Employer in complying with this provision.

The Sheriff may continue to place any employees who are off work as the result of a duty-related injury or illness in accordance with current practices and within the employee's restrictions as outlined by the employee's medical providers.

42.00 ENTIRE AGREEMENT

42.01 Subject to the provisions of Sections 4 and 7 of the Public Labor Relations Act, this concludes collective bargaining between the parties over those matters which were the subject of bargaining during the negotiations leading to this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

APPENDIX C – AGREEMENT ON JOINT HEALTH INSURANCE COMMITTEE

WHEREAS, the County of Champaign offers a program of group health care coverage to its employees, retirees, and their respective dependents; and

WHEREAS, the parties to this Agreement, as set forth below in Paragraph 1, seek to establish a joint process for the operation and structure of the procurement of health insurance for Champaign County and its employees, and to that end, hereby mutually agree to the establishment of a Health Insurance Committee; and

WHEREAS, a consensus has been reached among the County Board of Champaign County, the exclusive representatives of the County employees pursuant to the Illinois Public Labor Relations Act, County Employees not so represented by an exclusive representative, and the Administration of the County, that a Health Insurance Committee appears to be the most effective option for dealing with the problem of maintaining quality health care for the County employees and their dependents, while controlling costs.

NOW, THEREFORE, IT IS AGREED BETWEEN and AMONG THE PARTIES TO THIS AGREEMENT AS FOLLOWS:

1. The parties to this Agreement are as follows: County of Champaign; American Federation of State, County and Municipal Employees Council 31, Local 900 (AFSCME), and Fraternal Order of Police Labor Council;
2. Each of the parties hereby agrees to the Health Benefit Plan attached hereto and incorporated herein as set forth in Attachment 1. Attachment 1 is the current health insurance plan;
3. The plan as described in Attachment 1 shall continue in force as the Champaign County Health Benefit Plan for the term of this Agreement, unless modified as provided in Paragraph 4. It is understood and agreed that if any provision of the Health Benefit Plan is or shall be prohibited or limited by law or any modification be required by law, the necessary revisions to the Plan shall be made as required by law.
4. The provisions of the Plan as described in Attachment 1 may be modified only upon 75% or % vote of the total number of members of the Health Insurance Committee, and approved, if necessary (i.e. budget and contract approval), by the County Board of Champaign County, Illinois. As an example, twelve members of a sixteen member committee would be required to vote for a change in order to modify the provisions of the Plan, subject to County Board approval if necessary. Each party shall have the right to discuss all proposed changes with its membership and seek their input prior to any final vote.
5. Each of the parties has full authority of its governing board, its membership, or whatever group or sub-group within its structure who would have the ultimate authority to enter into this Agreement. Each of the parties represents to each of the parties as an inducement to enter into this Agreement that it has such authority and that it intends to and does bind itself and each of its

members to the terms of the Agreement. For the term of this Agreement, this Committee shall be the exclusive forum for dealing with non-work related health care issues, including but not limited to: the health plan design and benefit levels; deductibles, co-pays and out-of-pocket costs; premium levels; participant eligibility and general coverage; and claims levels and appeals. During said period each of the parties waives any rights to bargain over the subject of health care or health insurance or to impose other terms or to strike or arbitrate concerning other terms for health care coverage or benefits except for the cost sharing of health insurance premiums. As provided in paragraph 4 above, however, each party reserves the right to discuss all changes with its membership.

Changes in the cost sharing of health insurance premiums between each labor group and the County of Champaign may be bargained individually by the parties as provided by law, or established by the County of Champaign for those non-represented employees.

The parties agree that should any dispute concerning the interpretation or application of this Agreement arise between any two or more of them which cannot be resolved after good faith efforts, it shall be submitted to binding arbitration pursuant to the terms of the Uniform Arbitration Act (7 10 ILCS 51 1 et seq.). It is understood that this provision for arbitration shall not apply to operation of the Plan itself or to any individual claims or disputes under the Plan.

To select an arbitrator, the parties in dispute, by joint letter, shall request that the Federal Mediation and Conciliation Services (FMCS) submit a panel list of seven (7) arbitrators. The representatives of the parties shall within thirty (30) days of their receipt of this list from FMCS engage in a mutual striking process to select an arbitrator. Each party shall have the right to reject one entire list. The parties shall alternatively strike a name from the list until there is one name remaining, with the order of striking to be determined by coin toss. The arbitrator shall be notified of his/her selection by joint letter, requesting that a hearing be scheduled in Urbana, Illinois, on mutually agreed dates, subject to the reasonable availability of the parties and their representatives.

The parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The parties have the right to request the arbitrator to require the presence of witnesses and/or reasonable documents. Employees of the County called to testify at the arbitration shall be released from duty for such purposes without loss of pay or benefits. The arbitrator shall have no authority to amend, modify, nullify, ignore, add or subtract from the provisions of this Agreement. The arbitrator shall consider and decide the issue(s) presented and fashion an appropriate remedy. The arbitrator's decision shall be rendered and delivered in writing to the parties within thirty (30) days of the close of the hearings or the submission of post hearing briefs, whichever is later. Post hearing briefs shall be filed simultaneously by the parties on the date established by the arbitrator. Fees and expenses of the arbitrator, the cost of the hearing room, and the cost of a court reporter to provide a written transcript for the arbitrator shall be shared equally by the parties. If either party desires a verbatim record of the proceedings, it shall pay for the cost of its copy.

6. The parties to this Agreement, in consideration of their mutual undertakings and obligation, mutually agree for the term of this agreement, that this Agreement represents a collectively bargained agreement between and among all of the parties and that no provision concerning this

plan shall be raised as an issue in any other collective bargaining agreement, contract or negotiations between those exclusive representatives and the County of Champaign. It is further understood and agreed that this Agreement does not represent a collectively bargained agreement between the County of Champaign and its non-represented employees, either individually or collectively, nor does it represent any undertaking to bargain with any exclusive representative concerning insurance, health care, or any other benefit or provision with the retirees who are or were members of any bargaining unit.

7. The Health Insurance Committee shall be composed of sixteen (16) regular and four (4) alternative members appointed by the parties as follows:

- a) The County Board shall appoint two (2) regular members of the Committee and one alternate as representatives of the Board;
- b) The AFSCME and FOP unions shall each select four (4) regular members of the Committee and one alternate as representative of each respective union;
- c) The County Administrator, Health Insurance Specialist, HR Generalist, and three (3) non-bargaining employees appointed by the County Administrator shall constitute the six (6) regular members of the Committee, and one alternate as representatives of administration;

Members of the Committee shall be appointed for a term of 2 years, unless sooner replaced by the appointing authority. Recognizing the need for stability in the Committee, each of the parties and participating groups agree insofar as it is practical to maintain the same representatives on the Committee for the term of this Agreement. Also recognizing the importance of this committee and the function of this committee attendance is mandatory, and absences must not exceed 2 or more in a one year period, except for emergency reasons. If it becomes necessary to permanently replace one of its previously designated representatives, such party or group will notify the co-chairs of the Committee in writing as soon as practical and not less than five (5) days prior to any regular Committee meeting.

8. The Committee shall determine its own internal structure, including arrangement for subcommittees and chairing of the Committee and subcommittees. Both Labor and Management shall be represented by co-chairs and within the membership of all subcommittees. Labor and Management Committee co-chairs shall be elected by majority vote of their regular Committee members.

9. The Committee shall meet on a bi-monthly basis from January through June, and shall meet on a monthly, semi-monthly or weekly basis, as determined by the Committee, from July through September. A special meeting of the Committee shall be called upon demand of any three of the regular members submitted in writing to the co-chairs. Meetings shall be called with a minimum of 10 working days written notice to the members. A quorum for any meeting of the Committee is established when at least nine (9) regular members of the Committee are present and of those nine (9) there is at least one regular member from each represented bargaining unit and County administration in attendance.

Regular meetings of the Committee will be open to all signatories of this Agreement and outside agencies participating in the Champaign County Health Insurance Plan.

The Co-Chairs of the Committee shall present to the County Board Finance Committee of the Whole at its September meeting, the recommendation from the Health Insurance Committee for the Insurance Plan or Plans to be adopted for the ensuing fiscal year.

10. A designated committee member or the designated alternate (if attending due to the absence of a designated committee member) to the committee who are employees and who are on duty shall be granted time off work to attend Committee and subcommittee meetings and be paid at the appropriate rate when attending said meetings.

11. In the event that, after reasonable effort, the Health Insurance Committee is unable to reach agreement or the Insurance Plan is not approved by the County Board and the Committee, the Health Insurance Committee may be dissolved by the County Board or upon eight or more voting Committee members providing written notice of intent to withdraw from participation to the Committee Co-Chairs. Should fewer than eight Committee members request to dissolve the Committee, the Committee shall continue to function. In the event that such dissolution occurs, any party to this Agreement may demand to bargain over the issue of health insurance. Until the outcome of such negotiations is determined, the Insurance Plan shall remain unchanged as of the date of dissolution.

12. It is agreed and understood that the County of Champaign, being a unit of local government, that this Agreement and all actions, procedures, and processes under this Agreement are subject to all of the statutes and ordinances governing the conduct of units of local government, including but not limited to, requirements for bidding and contracting for the provisions of goods and services and compliance with all legal provisions for equal employment opportunity and affirmative action applicable to the County and any other party.

13. This Agreement shall remain in full force and effect for a period of three (3) years from the date hereof. This Agreement shall remain in effect from year to year after the expiration date unless one or more of the parties serves a thirty (30) day written notice on the others of their wish to modify or terminate this Agreement.

In the event that such notice is served, all parties to this Agreement agree to meet within sixty (60) days to begin good faith negotiations for a successor agreement. If no agreement can be reached within one hundred twenty (120) days after the parties begin good faith negotiations, the parties agree to request the services of a mediator through the Federal Mediation and Conciliation Services (FMCS) in an attempt to reach resolution in the dispute. If no agreement can be reached with the assistance of an FMCS mediator, the parties may then pursue the matter through interest arbitration. Until such resolution procedure is complete and final, this Agreement shall remain in full force and effect, and the Committee shall continue with the full participation from all parties to the Agreement.

In the event the Committee is ever dissolved, any party to this Agreement may demand to bargain over the issue of health insurance. Until the outcome of such negotiations is determined

and until any impasse resolution procedure is complete, the Insurance Plan shall remain unchanged as of the date of dissolution.

APPENDIX D – FORCED REDUCTION ON HOLIDAYS

Memorandum of Understanding
Re: Forced Reduction on Holidays

During the term of the FY2008 – FY2010 Agreement, and because of the economic difficulties facing the County, a policy of forced staff reduction on holidays was adopted. This extreme measure was initiated in order to prevent the lay-off of employees covered by this Agreement. This memorandum of understanding shall acknowledge the practice and reflect the Union's agreement for the continuation of the policy until December 31, 2016; after which the policy will only be continued by mutual agreement of the Sheriff and the Union.

APPENDIX E – TRAINING DAYS

As to Training Days – the deputy’s regular schedule will be adjusted to accommodate attendance at the school within an 80 hour pay period within the below scheduling adjustments. For school or training courses outside of the County, actual travel time to and from the training location will be applied towards the workday of a 12-hour shift. For school or training within the county the traditional 30-minute travel time shall apply.

- a. Day shift deputies working 12-hour shifts scheduled to attend a school or training on their regularly scheduled 12-hour workday shall return to the Sheriff’s Office immediately following the school and complete the 12-hour workday. Alternatively, they shall be allowed to utilize benefit time in the amount necessary to complete that workday. Deputies must notify their supervisor prior to the start of the school of their intent to either come back to work after the school/training or to use benefit time as provided in this section.
- b. A day shift deputy scheduled to attend a school or training on his regularly scheduled 8-hour workday or “short day” needs no scheduling adjustment. It will be presumed a daylong school or training is the equivalent of an 8-hour workday.
- c. Night shift deputies working 12-hour shifts scheduled to attend a school or training on their regularly scheduled 12-hour workday:
 1. If the deputy had the previous night off, the deputy will attend the school and shall return to the Sheriff’s Office immediately following the school and complete the 12-hour workday. Alternatively, they shall be allowed to utilize benefit time in the amount necessary to complete that workday.
 2. If the deputy is scheduled to work 12 hours the previous night, they will work mutually agreed upon hours as designated in the schedule adjustments below, but not beyond 2200 hours the previous night. They will then attend the school/training and shall return to the Sheriff’s Office immediately following the school/training and complete the 12-hour workday. Alternatively, the member shall be allowed to utilize benefit time in the amount necessary to complete that workday. Deputy’s must notify the supervisor prior to the start of the school of their intent to either come back to work after the school or use benefit time as provided in this section.
- d. Night shift deputies working 12-hour shifts scheduled to attend a school on their regularly scheduled 8-hour workday or “short day”:
 1. If the deputy had the previous night off, there are no required adjustments. It will be presumed a daylong school or training is equivalent of an 8-hour workday.
 2. If the deputy is scheduled to work 12 hours the previous evening, they will work mutually agreed upon hours as designated in the schedule adjustments below, but not beyond 2200 the previous night. It will be presumed a daylong school or training is the equivalent of an 8-hour workday.
- e. Scheduling Adjustments:
 1. When arranging adjusted days off or make-up blocks of work hours the Supervisor and the affected officer will confer. The deputy’s schedule shall be modified so that regular hours worked in a pay period equals 80 hours. This would hold true whether

for a one-day school or training or a multi-day school or training.

2. For schools or training, the Supervisor shall be allowed to schedule the deputy's adjusted time off for the pay period. The Supervisor shall first choose a workday or workdays that will not force the preferred staffing below the minimums. The adjustment of the deputy's normal schedule must be done prior to the pay period, except in cases where the school or training selection was made in the course of the pay period.
3. The deputy may work hours outside of their normal shift.
4. The Supervisor shall have the ability to adjust schedules to satisfy the 80-hour pay period.
5. The adjusted time off shall not compromise any other bargaining unit member's right to use benefit time off (i.e., such time is equivalent to a regular day off and not to be regarded as first request benefit time).
