Re: Rantoul Service Contract Agreement

Background: The Champaign County Area Rural Transit System (C-CARTS) has worked with the Village of Rantoul to produce a service contract between the two parties to provide a deviated fixed-route transportation service within Rantoul. The term of this agreement shall be one (1) year from November 1, 2026 to October 31, 2027. During this term of service, the Village of Rantoul agrees to make monthly payments of \$12,463.20 directly to Champaign-Urbana Mass Transit District as the operator of the C-CARTS service. The most significant change to this term's contract is the fifteen minute earlier start time of the deviated fixed-route service to accommodate the needs of factory workers to arrive with ample time to prepare for their shifts. This change has been communicated to C-CARTS drivers to prepare for the service change on November 1st, 2026.

WHEREAS the County of Champaign (hereafter simply "COUNTY") was awarded a Downstate Operating Assistance and FTA Section 5311 Combined Grant for rural public transportation; and

WHEREAS, the COUNTY and the Champaign-Urbana Mass Transit District (hereafter simply "MTD"), entered into an Intergovernmental Agreement (hereafter simply "IGA") dated June 22, 2026, to provide rural public transportation; and

WHEREAS, in the IGA, the MTD was named as the designated provider of rural public transportation to operate a separate transportation service program to be known as "C-CARTS," and COUNTY vehicles leased to MTD; and

WHEREAS, in the IGA, the Champaign County Regional Planning Commission ("RPC"), and the Rural Transit Advisory Group ("RTAG") were delegated oversight and coordination authority relating to the provision of rural public transportation service; and

WHEREAS, the Village of Rantoul (hereafter simply "RANTOUL") has proposed that the C-CARTS service be provided to RANTOUL; and RPC, RTAG, and MTD have all agreed to such proposal and desire to set forth their agreement in writing.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

- 1) RTAG and RPC hereby approve of the changes herein regarding rural public transportation services to be provided in the Village of Rantoul by MTD as set forth in the IGA.
- 2) The term of this agreement shall be one (1) year from November 1, 2026 to October 31, 2027.
- 3) (a) RANTOUL agrees to make monthly payments, following the schedule below, directly to Champaign-Urbana Mass Transit District at 1101 E. University Avenue, Urbana, Illinois, for each full month of transportation services provided to RANTOUL as set forth in this agreement.

Date Range	Monthly Payment
November 2026 – October 2027	\$12,463.20

(b) The monthly payments due hereunder shall be paid on or before the 10th day of each month following the month in which the transit services were provided.

In the event of emergency changes in service conditions in the Village of Rantoul, RANTOUL shall contact the MTD Operations Department (Sarah Love or Jay Rank).

Nothing in this agreement shall be construed to limit MTD's obligations to follow those regulations.

Route performance will be assessed with RANTOUL on an annual basis.

- 6) In the event that MTD is unable to sustain the staffing to support the service level in Attachment A due to staffing shortages, they will provide the reduced service outlined in Attachment B. The monthly payment amount of the reduced service outlined in Attachment B shall be \$10,593.72 (FY'27). The monthly payments from RANTOUL to MTD will be prorated to reflect the new cost, based on the number of days that each service type was operated that month.

Re: 2026 Consolidated Vehicle Procurement (CVP) Application

Background: The Illinois Department of Transportation has released notice of the 2026 Consolidated Vehicle Procurement (CVP) application. This application cycle is an opportunity to apply for all needed replacement vehicles that will ensure the continued functioning of the C-CARTS services in rural Champaign County. This application was prepared by RPC staff with input from Champaign-Urbana Mass Transit District staff and will be submitted online.

The attached 2026 CVP grant application requests seven (7) medium-duty replacement vehicles to maintain an appropriate spare-vehicle ratio in the C-CARTS fleet. The total cost of this project is \$910,000, at no cost to Champaign County. As of August 2026, C-CARTS vehicles C63, C64, C70, C71, C72, C73, C74 have all surpassed their useful life requirements set by FTA of 120,000 miles. All seven of these vehicles are medium-duty, 14-passenger buses that support the demand-response and deviated fixed route services that C-CARTS provides.

These 7 vehicles are past their useful life requirements set by FTA guidelines. We would like to formally document that we are requesting replacements for these vehicles as their continued use in C-CARTS service will contribute towards further deterioration of the vehicles. These 7 requested replacement vehicles will ensure the continuation of the C-CARTS service in providing reliable transportation to those in rural Champaign County in an on-demand and fixed-route service. those in rural Champaign County in an on-demand and fixed-route service. If Champaign County were to not receive these replacement vehicles there would be a significant decrease in the amount and quality of service C-CARTS would be able to provide due to a lack of functional vehicles.

RESOLUTION NO. 2026-230

RESOLUTION AUTHORIZING THE COUNTY TO ACQUIRE ALL ELIGIBLE TAX
CERTIFICATES (REAL ESTATE) ON THE TAX YEAR 2025 PAYABLE 2026
DELINQUENT TAX LIST

WHEREAS Public Act 104-0553 (House Bill 4537) was signed by the Governor of the State of Illinois on July 10, 2026; and

WHEREAS, Public Act 104-0553 (House Bill 4537) amends 35 ILCS 200/21-190 to provide that:

(b) In counties with fewer than 3,000,000 inhabitants, a county board may, in its discretion, submit to the collector a list of any properties for which an application for judgment has been made pursuant to Section 21-150 of this Code. The county's submission of this list shall be considered its offer to purchase the property or properties included on this list at the tax sale, pursuant to the county's authority in subsection (a) of Section 21-90....”

WHEREAS Public Act 104-0553 provides two paths for handling tax certificates,

- 1) a Judicial Tax Deed Auction under §22-42 for certificates held by private tax buyers, and
- 2) a Tax Deed Auction under §21-90 for certificates held by the County As Trustee For Taxing Districts. This section states in relevant part:

“The county, as trustee, may elect to acquire or sell tax delinquent property under either the provisions of this section or under sections 22-40 and 22-42 of this code. For any tax lien or certificate acquired by a county under this code, the county may take steps necessary to acquire title to the property, including a final overbid at the close of any public tax deed auction or judicial sale conveying title to property intended to be developed by a unit of local government.” 35 ILCS 200/21-90(d)

The §22-42 path imposes significant obligations and tasks on the Sheriff, Treasurer, and State’s Attorney that, under the §21-90 path, can be handled more efficiently by the County Tax Agent, without the additional costs or burden to the County or the Taxing Districts; and

WHEREAS, based on historical data, approximately 95% certificates purchased by private tax buyers are ultimately redeemed, with the resulting redemption payments beginning shortly after the annual tax sale; and

WHEREAS, the administrative burden which could be created by private tax buyers upon the County Treasurer as well as Judges, and the State's Attorney Office in processing and contesting attempts to obtain Sale In Error declarations would be significant; as well as the resulting outflow of refunds, often with interest, of Sale In Error refunds would place significant burdens upon the County;

NOW, THEREFORE, BE IT RESOLVED that, pursuant to its authority under 35 ILCS 200/21-190(b) and 35 ILCS 200/21-90(a), the County will acquire all the tax certificates for all real estate properties on the Tax Year 2025 Payable 2026 Delinquent Property Tax List(s)

BE IT FURTHER RESOLVED, that the appropriate County officials are authorized and directed to provide the County Treasurer and County Trustee with all such lists and documentation as may be necessary to implement this Resolution.

BE IT FURTHER RESOLVED, that Champaign County hereby appoints and authorizes Joseph E. Meyer & Associates, Inc., as County Trustee and Tax Agent, to administer such tax certificates on behalf of the County and the taxing districts in accordance with the Illinois Property Tax Code and the County's existing trustee program

BE IT FURTHER RESOLVED, that this Resolution shall take effect immediately upon its adoption and shall remain in full force and effect until amended or rescinded by subsequent action of the Champaign County Board.

TO: Elly Hanauer-Friedman, Finance Committee Chairperson**FR: Sheriff Dustin D. Heuerman****DA: August 18, 2026****RE: Budget Amendment for Squad Car**

Please find attached a budget amendment request for replacement of a patrol car. Insurance reimbursements for patrol vehicles involved in motor vehicle crashes this year have been deposited into the general fund. However, especially with projected budget cuts to equipment next year, it is important we use these funds to purchase a replacement patrol vehicle this year. This requires a budget amendment to get these funds moved into my budget.

Increased revenue: \$45,075**Increased expense: \$45,075**

Please let me know if you have questions. As always, thank you for your continued support of me and my office.

Re: BUA for Brink's Contract

The County transitioned to Brink's for cash pick-up services in the last quarter of 2025. While the monthly transportation charges are fixed, the fuel surcharge and excess liability components are variable and have exceeded our original budget projections. Because the excess liability fees are tied to the fluctuating value of deposits being transported, we did not have a clear picture of these costs during budget development.

The total amount requested is **\$202,500** from the fund balance to cover the services provided to date and the estimated amount for the remainder of the year.

Re: BUA for CliftonLarsonAllen Audit Services

Due to the additional charges due to delays in the FY24 audit the budgeted funds for professional services are insufficient for FY2026.

The current contract fees are 84,000 and the additional audit related costs have overdrawn the line by \$30,700.

WHEREAS, the County has the ability to provide such services through the Champaign County Animal Control Department (hereinafter “the Department”)

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

Animal Control Services

1. The County currently furnishes an animal control program for the County and per this agreement will extend that program to include the geographical area of the Municipality. The Department shall provide all materials, training, licensing, insurance, staffing, and oversight the Department deems required for the provision of animal control services. In the event of a change to staffing levels that may impact service delivery, the Department will notify Urbana Police command staff.
2. The Department will respond to requests for animal control services from citizens residing within the Municipality limits per the Department’s policies and procedures and Champaign County Ordinance 2024-10, attached as Exhibit A.
3. Per 510 ILCS 5/5(c), the Municipality’s police officers shall cooperate with the Department in carrying out the provisions of the Animal Control Act, and nothing in this agreement shall prohibit the Municipality’s police from enforcing the

municipality's ordinances. In the event the situation is not secure and municipal law enforcement are not available, the response to the call will be suspended until a time municipal law enforcement is available to secure the situation and identify suspects. The determination of "secure" will be made by the Department warden responding to the call. In the event a scene cannot be secured for the Department, the Department will follow up with Urbana Police command staff to determine reasoning and establish plans for proceeding with the call when safe. In the event the Department declines to respond to a call due to safety concerns, the Urbana Police Department will respond at the discretion of command staff.

4. For services provided by the Department for the first year of this Agreement, the Municipality agrees to pay the County \$100 for the first hour of all calls during standard business hours for field services, which are 8:00am-5:00pm, Monday – Sunday, excluding holidays or other days County offices are closed. After the first hour and for subsequent follow-up calls within standard business hours established in item 4, costs are measured and charged at a rate of \$25 per quarter hour.

5. For services provided by the Department for the first year of this Agreement, the Municipality agrees to pay the County \$200 for the first hour of all calls outside of the standard business hours established in item 4. After the first hour and for subsequent follow-up calls outside of standard business hours established in item 4, costs are measured and charged at a rate of \$50 per quarter hour. Triaging calls for service outside established business hours are charged at \$25 per quarter hour.

6. Calls for service to the Department outside of standard business hours established in item 4 will be assessed by the Department and only calls presenting an eminent imminent and urgent public safety risk will be responded to outside of established business hours. Otherwise, the request for service will be addressed during the next available business day.

7. The Department will manage, supply, monitor, and maintain all aspects of dog and cat registration and rabies registration for Champaign County and shall collect and retain all registration fees.

Animal Impoundment Services

8. The Department shall provide all materials, training, licensing, insurance, staffing, and oversight the Department deems required for the services necessary for the impoundment, care, basic medical treatment, and transfer of all animals collected by the Department pursuant to this agreement or delivered by the Municipality or citizens residing with the Municipality. In the event of a change to staffing levels that

may impact service delivery, the Department will notify Urbana Police command staff.

9. The Animal Control Director reserves the right to refuse animals for any reason, including but not limited to animals that cannot be housed due to space, safety, or health reasons. The Municipality is responsible for arranging for and paying the cost of outside impoundment.

10. The Department shall provide the necessary access to the Facility for the Municipality to deliver and secure animals outside of standard business hours established in item 4. The Municipality shall notify the Department supervisor as soon as practical of its intent to deliver animals to the Animal Services Facility for impound and follow written procedures for safely securing the animal at the Facility. If a Municipality impounds an animal after business hours, they shall complete the Notice of Impoundment when securing the animal at the Department in its entirety. Failure to do so can result in a fine of \$50.

11. In the event of an emergency situation; including but not limited to the animal has life threatening injuries or illness, the animal is in severe pain due to an injury or illness, or the animal has a contagious illness that needs quarantine measures beyond what the Facility can provide as determined by the Department, the Animal Control Director may authorize emergency medical treatment up to the same cost the Department has authorized emergency vets to administer without prior approval to stabilize the animal or quarantine the contagion and then will consult with the Municipality regarding ongoing treatment. The costs of the emergency medical treatment will be billed to the Municipality in the next applicable billing cycle. If the Municipality chooses to withdraw treatment, the Department will euthanize the animal at the Municipality's expense, or the Municipality will find alternative boarding for a contagious animal or severely injured animal that standard impound procedures and protocols cannot care for. The Department reserves the right to take custody of the animal from the Municipality and provide additional medical treatment at the Department's cost upon release or expiration of holding time.

12. The Department will contact METCAD for current Urbana Police Department command staff to authorize additional medical care or withdraw medical care with the outcome of death or euthanasia for the animal. If command staff are not available within 30 minutes of the Department's call to METCAD, the Department will make the decision regarding additional medical treatment and/or euthanasia to prevent suffering and invoice the Municipality for said medical services in the next

billing cycle. In this situation, the Department will attempt to make the most financially reasonable decision.

13. The Department shall release animals to their owners upon (a) payment of all required fines, fees, registrations, or late payments to the Department or (b) written confirmation from the Municipality to bill the Municipality for the required fines, fees, registrations, or late payments upon the next billing cycle. If the Department chooses to waive fines and fees applicable to the County for the owner, that is not a cost incurred by the Municipality. Payments made by the owner are not billed to the Municipality.

14. In the event an animal is the subject of an ongoing court case and the court issues a hold on the animal, the Department shall hold the animal(s) and shall not make it available for redemption, adoption, or euthanasia until the court order is reversed by the court.

15. In the event an “Order of Destruction” is issued by the court, the Department shall humanely euthanize and dispose of the subject animals(s) pursuant to the Order once the Department has a signed copy of the Order. Until the order is received, the animal will continue to incur boarding costs charged to the Municipality. The Municipality shall be responsible for collecting their own fees and fines from the defendant, and remittance of this payment is not relevant to the destruction of the animal.

16. Animals delivered to the Animal Services Facility shall become the property of the County after one of the following events occurs:

- a. After the expiration of any applicable redemption period:
 - i. 5 business days for animals without identification
 - ii. 7 business days for animals with identification
 - iii. 10 days for animals held on bite quarantine

17. The Department is thereafter authorized to sell, adopt, convey, euthanize, or otherwise dispose of the animal in the manner it deems appropriate. The Department accepts sole responsibility for discretionary decisions. Any stray animal held past the holding period shall be at the cost of the County.

18. The Department is authorized to collect fees from the impounded animal owner in amount(s) as authorized by the Champaign County Board. Fees are listed on the Department website. If the Municipality wishes to return the animal to the owner without all fees paid, they must provide notice to the Department in writing, and the remaining fees will be charged to the Municipality by the Department in the next applicable billing cycle.

19. The Municipality shall pay an initial rate per animal and an additional \$15 per day or any part of a day of impoundment, whether by surrender by a Municipality resident, impoundment by a Municipality agent, or impoundment by a Department agent.

20. Animals that are impounded when Department staff are on duty will be at a cost of \$50 per animal. If the Index published nearest an Adjusted Date (Extension Index) has increased over the Beginning index, the Service Fee until the next Adjustment Date shall be set by multiplying the Term Service Fee by a fraction, the numerator of which is the Extension Index and the denominator of which is the Beginning Index.

If the Index is changed so that the base year differs from that used as of the month immediately preceding the Adjustment Date, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index has not been discontinued or revised.

MEMORANDUM

TO: County Board Members
FROM: Steve Summers, County Executive
Michelle Jett, Director of Administration
Kathy Larson, Economic Development Specialist/ARPA Project Manager
DATE: September 17, 2026
RE: ARPA Reallocation Guidelines and Remaining Funding Status

Background

The ARPA (American Rescue Plan Act) funding is subject to the Department of Treasury's Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program rules. ARPA funds began disbursement in 2021, and required all funds to be obligated by December 31, 2024, expenditures to be complete by December 31, 2026, and administration/reporting to be complete by April 30, 2027.

Amendment and Replacement of ARPA Contracts and Subawards

Although the ARPA funds were obligated as of December 31, 2024, the Department of Treasury does permit amendment and replacement of ARPA contracts and subawards under certain circumstances. In short, **the replacement contract or subaward must be within substantially the same scope and for substantially the same purpose as the contract that was entered into by December 31, 2024.**

Below is more information from:

- The SLFRF Final Rule FAQ
(<https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-FAQ.pdf>)
- The Obligation Interim Final Rule
(https://home.treasury.gov/system/files/136/Obligation_Interim_Final_Rule_2023.pdf)
- The Obligation Interim Final Rule Quick Reference Guide
(https://home.treasury.gov/system/files/136/Obligation_Interim_Final_Rule_Quick_Reference_Guide_2023.pdf)

"In general, recipients cannot re-obligate funds or obligate additional SLFRF funds after the obligation deadline of December 31, 2024. For instance, if a contractor makes a change order request after December 31, 2024, that necessitates a contract amendment, the recipient would not be permitted to obligate additional SLFRF funds to the project because the obligation deadline would have passed. However, after the obligation deadline, recipients are permitted to replace a contract or subaward that was entered into prior to December 31, 2024 under the following circumstances:

1. The recipient terminates the contract or subaward because of the contractor or subrecipient's default, the contractor or subrecipient goes out of business, or the recipient determines that the contractor or subrecipient will not be able to perform under the contract or carry out the subaward.

2. The recipient and contractor or subrecipient mutually agree to terminate the contract or subaward for convenience.

3. The recipient terminates the contract or subaward for convenience if the contract or subaward was not properly awarded (for example, if the contractor was not eligible to receive the contract), there is clear evidence that the contract or subaward was improper, the recipient documents the determination that it was not properly awarded, and the original contract or subaward was entered into by the recipient in good faith.

A contract will be considered made in good faith for purposes of clause (3) above if the parties followed standard procurement or subaward practices, as applicable, and the contract or subaward was not entered into for the purpose of evading the obligation deadline. A recipient that re-obligates funds to a new contractor or subrecipient after the obligation deadline will be considered to have used its funds to cover an obligation incurred prior to the obligation deadline if any of the three situations above is present and if the original contract or subaward being replaced was entered into by December 31, 2024.

If a recipient enters into a replacement contract or subaward, the recipient still must expend all funds by the expenditure deadline. Treasury will update the SLFRF Compliance and Reporting Guidance to provide a means for recipients to report any contract or subaward replacements after the December 31, 2024 obligation deadline. Recipients should maintain documentation to justify their determinations, which should include an analysis of the factors discussed above. Treasury may ask recipients to provide this information in their periodic reports.”
