7). My hobbies and areas of interest are as follows: reading (biographies, African-American literature and legal/mystery novels), collecting hardback books (first editions and signed by the author), traveling, flowers, and spending time with my seven nieces and nephews.

8). I would like to serve on the Champaign County Nursing Home Board of Directors because I sincerely have a strong desire for the nursing home to stay under the county's jurisdiction. Moreover, the nursing home provides a valuable service and a much needed service for our community, especially as the "baby boomers" are aging. Furthermore, I understand that our newly constructed nursing home facility has been in many different storms since day one of construction and continues to have storms since opening. However, I strongly believe that with excellent management and a dedicated and knowledgeable CCNH Board of Directors that it can be effective, efficient and smooth operating.

In closing, I am very familiar with the nursing home operations as I have served on the Justice and Public Safety Committee, which oversees the nursing home operations, during my entire tenure on the Champaign County Board and chairing that committee my last four years on the Champaign County Board.
