то:	Mr. Michael Richards, Chairman of the Justice & Social Services Committee Members of the Committee of the Whole	
FR:	Joseph J. Gordon	
RE:	Request for grant approval	

We have had a grant from the Illinois Criminal Justice Information Authority for almost ten years years. Fund 681 (Juvenile Information Sharing Grant) was established at that time to account for these grant funds. This grant has funded juvenile issues such as equipment for obtaining and reporting juvenile criminal information, training for officers and members of the criminal justice system, and equipment, etc. We are beginning the cycle for the renewals of these grant funds. Our current grant from the Illinois Criminal Justice Information Authority ended November 24, 2011 and the next set of funding can begin no earlier than January 1, 2012. On July 20, 2009, the Intent for Funds for the next funding cycle of this grant was submitted to the Authority.

The next period of funding allocates \$10,631.00 with a \$1,181.00 match under the number of #508005. Grant funds are limited to matters specifically relating to juvenile and/or detention matters.

We will continue to use these funds to support referrals to the Parenting with Love and Limits (a program for juveniles being supported and offered through the Champaign County Mental Health Board) for juvenile clients of the Juvenile Court Alternatives Initiative program operated by this department.

No general funds are used for this grant; all match requirements (10%) are provided from the Probation Services Fund (Fund 618).

When the grant application is approved by the Illinois Criminal Justice Information Authority (ICJIA), we will provide the necessary paperwork to the Executive Grant Committee for signatures.

I have attached the completed County Grant Application Form and the County Financial Impact Statement.

I would ask that you approve our participation with the Authority for the implementation of this grant.

Thank you.
