RE: Landscape Recycling Center Permit Notification for request to reorganize compost area

Dear Mr. Weibel:

Please find enclosed a notice of application to renew the composting permit for the Landscape Recycling Center. The Landscape Recycling Center is applying to operate the facility as presently permitted, with no additional modifications, for another five year term (permit cycle). Our present composting permit is to expire July 1, 2012.

The Landscape Recycling Center, LRC, has provided yard waste recycling for Champaign County since 1985 and is the longest ongoing composting operation in the state of Illinois. LRC is a municipal operated facility that operates on a non-profit user fee basis without tax subsidization. LRC recycles an average of 60,000 cubic yards of green debris into useable garden products for Champaign County residents each year. Mention us to friends and thank you for your support.

If you have questions please contact me at 384-2393.

Sincerely,

Michael J. Brunk, ASLA  
Urbana City Arborist
