Attached is the list of regular and alternate election judges for your party in each precinct in Champaign County. Please review the list and make any changes, deletions, or additions in the space provided, sign the certification, and return it to our office. At the July County Board meeting, the list of judges will be approved by the Board, submitted to the court with an opportunity for comment, and finally approved by the court.

While this is the official list of judges, changes to the list happen regularly over the next two years, especially in preparation for each election.

CERTIFICATION

The list of judges below, as corrected, deleted, and added to, is complete list of judges to be certified by the Champaign County Circuit Court for the Party.
