Re: University Rehab Real Estate, LLC – Proposed Amendment to
Restrictions and Covenants

Dear Ms. Taylor:

As you may recall on April 1, 2019 the County sold us 500 South Art Bartell Road, Urbana, Illinois 61802, which is improved with University Rehab, a 243 bed skilled nursing facility (the “**Facility**”). In connection with the sale, the deed to us included certain restrictions and covenants (the “**Restrictions and Covenants**”). We have and continue to fully comply with the Restrictions and Covenants, but are now exploring a potential transaction for the sale of the property to a buyer who would operate it as a substance use disorder treatment facility. We understand that that there is a need for this in the County, but before we can close the potential transaction the Restrictions and Covenants need to be amended to allow for such a use. In addition, the post-closing covenants contained in Section 22 of the Asset Purchase Agreement and Section 19 of the Operation Transfer Agreement, each dated August 1, 2018, with respect to the Facility would need to be waived. We prepared and enclosed a proposed Amendment to Restrictions and Covenants (“**Amendment**”) in anticipation of any sale for your consideration and approval.

In connection with the consideration of the enclosed Amendment, the Company would like the Committee to consider the following:

1. Enclosed with this correspondence as Exhibit A is a breakdown of currently available beds at skilled nursing facilities in the vicinity of the Facility as of February 1, 2023. Excluding the applicant, three other facilities within an eight mile radius of the Facility (all in Champaign County) currently have 106 available beds, which is sufficient to transfer all current residents of the Facility. Expanding out to all Champaign County facilities yields an excess of 119 beds to accommodate these residents. In addition, there are another 370 available beds at other facilities within 25-40 miles of the Facility. We believe the elder citizens of Champaign County will be able to be served by the other existing facilities in the area.

2. In accordance with Section 1(b) of the Restrictions and Covenants and corresponding provisions of the APA and OTA, the operator of the Facility did not transfer any of the April 1, 2019 residents unless it was pursuant to a specific request by a resident, due to medical necessity (after it was determined that there was no payor source), or after a resident was deemed to be a danger to Facility residents or employees. As of March 8, 2023, there are 23 residents at the Facility who were also there on April 1, 2019, representing 19% of those April 1, 2019 residents. If we end up selling the property to a buyer intending to use it as a substance use disorder treatment facility, the Facility will fully comply with the Illinois Nursing Home Care Act, 210 ILCS 45, in relinquishing its IDPH license to operate it as a skilled nursing facility and moving the residents of the Facility to other appropriate nursing facilities. The Illinois Department of Public Health has specific rules and regulations to ensure the residents are transferred in an orderly and safe manner to a facility of their choice that also meet their needs. To ensure this occurs, we will submit a closure plan to IDPH for its approval in substantially the form of Exhibit B.
3. In accordance with Section 2 of the Restrictions and Covenants and corresponding provisions of the APA and OTA, the operator of the Facility re-hired all of the employees as of the closing that passed a background check, did not terminate 10% or more of such employees within the first 60 days following the recording of the deed and did not terminate 20% or more of such employees within the first 6 months following the recording of the deed. As of March 8, 2023, of the employees of the Facility on April 1, 2019, 40 are still currently employed at the Facility. This represents 38% of the total workforce at the Facility.

Please let us know if you have any questions and thank you for your attention to this matter.

Very truly yours,

University Rehab Real Estate, LLC

William Rothner, Manager

FORM OF CLOSURE PLAN

Facility Closure Plan

**Plan Submitted to the Illinois
Department of Public Health**

_____, 202__

University Rehab – Closure Plan

I. Introduction. On _____, 202__, University Rehabilitation Center of C-U, LLC (“CLC” or “Facility”) provided initial notice to the Illinois Department of Public Health (“IDPH”), Residents, Family members, Representatives, Physician, and the Illinois Long Term Care Ombudsperson that it intends to voluntarily close and relinquish its licensure as a Skilled Nursing Facility effective _____, 202__.

The Ownership of the Facility made the difficult decision to close after completing an analysis of the marketplace in Urbana and the surrounding communities. This analysis revealed that there are _____ nursing facilities within 10 miles of University Rehab. Facility occupancy has been steadily declining over the last three years with the facility approximately _____% empty at this time. Trends indicate that our seniors are staying home longer, with those discharged from the hospital returning home and receiving outpatient services or home health. This all translates into less demand for skilled beds in the region. Less demand for beds, shorter post-acute stays, and a low Medicaid reimbursement rate all played a part in the decision to close the Facility. The age and condition of the building, along with the inefficient operational set up, also played a role in the decision.

This Closure Plan (“Plan”) has been created and submitted pursuant to regulatory guidance and requirements. The Plan details the necessary steps and procedures in place and to be implemented to assure the orderly relocation of its residents. It is in accordance with IDPH and Centers for Medicare and Medicaid (“CMS”) Regulations. This Plan assumes the receipt of all regulatory consents and approvals, including the approval of this Plan, with an effective date of _____, 202__. If review so requires, the Facility may modify this timeline to allow for additional relocation time.

The Facility has put together a transition team and will work with residents, families, and all appropriate State Agencies to ensure that each resident is placed in a new home, of their choice, that meets their needs. The Facility is committed to assisting all residents choose their new home in a safe and orderly manner. The Facility’s licensed bed capacity is two hundred forty-three (243) skilled beds and its current average daily census is _____.

The Facility’s responsibility for accomplishing the safe and orderly closure of the Facility and for assuring that residents receive appropriate care pending the closure, shall be coordinated by _____, LNHA, on behalf of the Facility’s management, and assisted by _____, SSD. Questions can also be directed to _____, who will be representing Facility ownership in this matter, at (217) _____.

The ultimate goal of this Plan is to ensure a safe, orderly, and clinically appropriate transfer of each and every resident and to assure the successful adjustment of each resident in their new home while minimizing the stress for residents, families, and facility staff. This objective shall be accomplished in as expeditious a manner as possible under these circumstances. All time

frames contained within this plan are reasonable approximations and may change dependent on circumstances.

II. Transition Team and Contact Information. University Rehab has appointed a Transition Team that consists of staff members from across the Facility’s disciplines to best ensure that the Facility has met the needs and preferences of each resident and their family during this process. This team is supervised by:

_____, *Facility Administrator*

500 South Art Bartell Road
Urbana, Illinois 61802

This team is assisted by:

_____, *Facility Social Services Director*

500 South Art Bartell Road

WHEREAS, the County Board of the County of Champaign, Illinois, is vested with the exclusive power to appropriate funds for salaries and benefits for many County employees, and may take policy concerns into account when exercising its appropriation power; and

WHEREAS, the County Board of the County of Champaign, Illinois, has previously amended the Champaign County Personnel Policy via Ordinances 964 (Employment, Hiring, ADA and Probation Policy), 997 (Anti-Harassment Policy), and 2019-14 (Cannabis, Drug and Alcohol Use/Abuse Policy);

PRESENTED, ADOPTED, APPROVED and RECORDED this ___ day of March, 2023.

Kyle Patterson, Chair
Champaign County Board

ATTEST:

Aaron Ammons, County Clerk and
Ex-Officio Clerk of the County Board

ATTACHMENT A

2-1.1 **Equal Employment Opportunity (EEO) Statement** - Champaign County is committed to providing fair and equitable treatment to all employees and applicants for employment. This policy complies with federal and Illinois state laws.

Employees and applicants for employment at Champaign County shall not be discriminated against on the basis of race, color, religion, national origin, ancestry, citizenship status, sex (including pregnancy), gender identity or expression, sexual orientation, age, marital status, parental status, order of protection status, genetic information, military status, unfavorable discharge from the military, arrest record, physical or mental disability unrelated to an individual's ability to perform the essential functions of the job with or without reasonable accommodations, or any other non-merit-based factor.

Employees and applicants for employment who are found to have a criminal conviction history shall be treated fairly and according to law, as described in Section 2-1.9, "Background Checks and Criminal Conviction History." It is against policy and illegal to discriminate against individuals whose criminal conviction histories do not have a substantial relationship to employment that is sought or held.

It is against policy and illegal to retaliate against a person because that person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

This Equal Employment Opportunity statement of policy, and federal and Illinois state laws, apply to all aspects of employment, including but not limited to, recruitment, hiring, benefits, wages, terms and conditions of employment, renewal of employment, selection for training or apprenticeship, training, transfer, tenure, promotion, layoff, demotion, discipline, discharge, firing, and harassment.

LEGISLATIVE DRAFTING NOTES: Changes to Section 2-1.1 are intended to accomplish the following:

- Affirmatively state that it is Champaign County's policy to prohibit employment discrimination.
- Combine protected categories into one list, in order to remove confusing distinctions between federal and Illinois Human Rights Act (State) laws. Federal and State laws are constantly changing and there is no meaningful distinction between federal and State laws that would require having two distinct lists of protected categories. For policy clarity, employers must be clear about the sum total of protected categories that apply here in Champaign County. Regarding the non-merit-based factors statement, compare to the federal government EEOC's own EEO statement: <https://www.eeoc.gov/eo-policy-statement>.
- Add "gender identity or expression" to the list, per Bostock v. Clayton County, 140 S. Ct. 1731 (2020), and per recent AFSCME contracts approved by the Board.

- Add mental / physical disability to the list of protected categories, which was previously omitted.
- Chronologically re-order the “all aspects of employment” list for policy clarity. Add the words “including but not limited to” to emphasize that this policy and applicable laws cover absolutely anything touching on a term or condition of employment.

ATTACHMENT B

2-2.9 Background Checks and Criminal Conviction History -

Champaign County department heads may perform background checks on applicants for employment and current employees. These background checks are completed within established laws and regulations (*see* Illinois Human Rights Act, 775 ILCS 2-103.1).

Applicants and employees may be required, as a condition of employment, to authorize in writing the completion of a background check. The authorization form may allow the department head to perform future periodic background checks.

If the applicant or employee will have possible contact with children in the course of performing their job duties, the background check will include searches for child abuse and neglect indications and administrative findings, as well as criminal conviction history. If at any time an “indicated” finding of abuse and/or neglect is reported and the employee has possible contact with children in the course of his/her duties, employment will be terminated.

If the applicant or employee will not have possible contact with children in the course of performing their job duties, the background check will include searches for criminal conviction history. If criminal convictions are found in a background check, the department head will investigate to determine whether any conviction is substantially related to employment and will create unreasonable risk to Champaign County property or the safety and welfare of individuals based on the following considerations:

1. The length of time since the conviction.
2. The number of convictions that appear on the conviction record.
3. The nature and severity of the conviction and its relationship to the safety and security of others.
4. The facts or circumstances surrounding the conviction.
5. The age of the employee at the time of the conviction.
6. Evidence of rehabilitation efforts; and
7. The nature of the job sought (for example: specific job duties, supervision, surroundings).

Disciplinary action, up to and including termination, may result from this investigation.

If it is determined that an applicant’s or employee’s conviction record disqualifies an individual from employment, the department head will provide the following in writing:

1. Notice of the disqualifying conviction that is the basis for the preliminary decision and the reasoning for the disqualification.
2. A copy of the conviction history report; and

3. An explanation of the applicant's or employee's right to respond to the notice of the preliminary decision before the decision becomes final. The applicant or employee will have 5 business days to respond. The applicant's or employee's response may include, but is not limited to, evidence challenging the accuracy of the conviction record that is the basis for the disqualification, or evidence in mitigation, such as rehabilitation.

After considering any information the applicant or employee provides to the department head, a final employment decision will be determined. If the final decision is that an employee's conviction record disqualifies the employee from employment, the department head will provide the following in writing:

1. Notice of the disqualifying conviction that is the basis for the final decision and the reasoning for the disqualification; and
2. Notice of the applicant's or employee's right to file a charge with the Illinois Department of Human Rights.

8-5 **Bereavement**

Paid Bereavement Leave

Full-time and part-time employees shall be granted paid bereavement leave for the scheduled working hours on five (5) consecutive workdays following the death of a spouse, child, parent, or domestic partner; and for the scheduled working hours on three (3) consecutive workdays following the death of a brother, sister, grandparent, mother-in-law, father-in-law, son-in-law or grandchild.

Unpaid Bereavement Leave

This unpaid bereavement policy is in accordance with Illinois Public Act 102-1050, which is codified at 820 ILCS 154/1 et seq.

All employees are entitled to use a maximum of 2 weeks (10 work days) of unpaid bereavement leave to attend the funeral or alternative to a funeral of a covered family member, make arrangements necessitated by the death of a covered family member, grieve the death of the covered family member, or be absent from work due to a miscarriage, unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, a failed adoption match or an adoption that is not finalized because it is contested by another party, a failed surrogacy agreement, a diagnosis that negatively impacts pregnancy or fertility, or a stillbirth.

A covered family member for unpaid bereavement leave is defined as an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent.

To access the unpaid bereavement leave, the employee must provide the employer with at least 48 hours' advance notice of the employee's intention to take unpaid bereavement leave, unless providing such notice is not reasonable and practicable. The employer may, but is not required to, require reasonable documentation of the death of a covered family member. For other events qualifying for unpaid bereavement leave, the employer may, but is not required to, require reasonable documentation by means of a form provided by the Illinois Department of Labor, to be filled out by a health care practitioner who has treated the employee, the employee's spouse or domestic partner, or surrogate. Other than the death of a covered family member, the employer may not require the employee to identify which category of event the leave pertains to as a condition of exercising the right to unpaid bereavement leave.

Unpaid bereavement time must be taken within 60 days after the date on which the employee receives notice of the death of the covered family member or the date on which another qualifying event occurs.

In the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of 6 weeks of unpaid bereavement leave during the 12-month period.

Employees may not take unpaid leave that exceeds the leave time allowed under, or is in addition to, the leave time permitted by the federal Family and Medical Leave Act (FMLA), 29 U.S.C. 2601 et seq.

ATTACHMENT E

8-19 **Paid Parental Leave**

Parental leave of 10 days paid leave is available for eligible employees beginning January 1, 2023 for the birth of a child or placement of a child through adoption or foster care. Eligible employees must:

- be a regular full-time or part-time employee; and
- have been employed with the County at least 12 months; and
- Have worked at least 1,250 hours during the 12-month period immediately before the commencement of leave; and
- meet the requirements for parental leave as defined under the federal Family and Medical Leave Act (FMLA), 29 U.S.C. 2601 et seq.; and
- have given birth to a child; or
- be a spouse of a woman who has given birth to a child; or
- be the father of a newborn child; or
- have adopted or been placed with a foster child, who is age 17 or younger, except the adoption of a spouse's child.

All leave must run concurrent with approved FMLA outlined in Section 8-7. Employees are not required to exhaust all other paid leave before taking paid parental leave. Paid parental leave must be taken within 6 months of the qualifying event. Paid parental leave must be taken as 10 continuous days. No intermittent leave will be permitted. While on paid parental leave, the County will continue to make payroll deductions and collect the employee's share of benefit premiums.

Executive appointments for expiring terms of other community boards and committees are staggered throughout the year. In advance of term expirations, the Executive's Office advertises upcoming vacancies to notify interested applicants and to offer the Board the opportunity to recruit applicants or provide input to the Executive regarding any concerns or recommendations. - Constituent representation for demographic characteristics, including gender, race, age
- Constituent representation for geography of the district, including rural/urban or areas of the county

Prior to appointments being named, Board Members have an opportunity to see all applications (*italics indicates incumbent*) received in the March Committee of the Whole agenda packet. Notes
Greetings,

I am interested in helping support my neighbors as well as the Savoy Fire Protection District in this small way. As a former firefighter and EMT-B for Ogden-Royal FPD and a former part-time EMT for Pro Ambulance I feel a strong connection with the fire service. I also feel a strong connection to my Windsor Park neighbors. Those two factors are driving my desire to serve in this position. Another factor in my favor is that I have a better-than-average understanding of township government & fire districts, as well as the government in general.

Although I have not served on a public board, I have been on boards for churches and businesses.

I hope that you approve my application for the Windsor Park Fire Protection District trustee position.

Respectfully,

Jeff Kurtz

Reason for Amendment – 2023 Illinois Home Weatherization Assistance Program (IHWAP) Bipartisan Infrastructure Law (BIL) Grant

The Illinois Home Weatherization Assistance Program (IHWAP) enables low-income families to permanently reduce their energy bills by making their homes more energy efficient while increasing the comfort of their homes. Additionally, IHWAP addresses some home health and safety issues especially where they are connected to indoor air quality.

The Champaign County Regional Planning Commission as the Local Administering Agency (LAA) of the Illinois Home Weatherization Assistance Program (IHWAP) has been granted funding to supplement the Weatherization funding provided annually. This grant provides additional Department of Energy (DOE) IHWAP funding through the Bipartisan Infrastructure Act and is intended to augment the funding provided through the regular DOE formula grant funding. The grant term will be 3/1/23 through 2/28/25. It is anticipated that the funding will support expanding staff capacity and assisting an additional 30-40 households through energy efficiency measures.

MEMORANDUM

TO: Kyle Patterson, Champaign County Board Chair
Champaign County Board Members
Steve Summers, Champaign County Executive

FROM: Beth Smith, Executive Assistant, Circuit Court
Jenna Brown, Public Defender's Office
Isak Griffith, Circuit Clerk's Office

DATE: March 7, 2023

RE: Budget Amendment Request – Circuit Court - Journal Number 58
Public Defender - Journal Number 50
Circuit Clerk - Journal Number's 53, 54 & 55

Champaign County was awarded a grant from the Administrative Office of the Illinois Courts in the amount of \$151,760.22 to support tech modification improvements for the Circuit Court, Public Defender, and Circuit Clerk. The total payment will be made directly to Champaign County for distribution to the three departments. Each department is requesting an increase in appropriations to the expense lines identified in the above journal entries to match the increased revenue generated from this grant. The totals to be applied per department are:

Circuit Court – \$8,813.71 for items A-D on the attached itemized goods/services request
Public Defender – \$6340.49 for item E
Circuit Clerk – \$ 136,606.02 for items F-Q

Please note that the above totals for the Circuit Court and Public Defender (items A-E) are exact numbers and their purchases have already been finalized with the exact amounts listed above. Please see the attached invoices and quotes for specifics.

However, due to fluctuations in costs that have occurred between the request and approval for the grant, several items for the Circuit Clerk have increased in price. We are currently awaiting final numbers on items F-O. The AOIC is aware of these increased costs and has agreed to cover the additional expense for these items. At that time, the Circuit Clerk will complete a separate, clean-up, BUA with a request for increased appropriation for the extra revenue and expenses.

Thank you,

Beth Smith

When it comes to the content your organization captures, there's a domino effect to the quality of the scans and efficiency of the capture process. If documents take too much time to sort and prepare and imperfect images are sent to business processes, the success of downstream data extraction and retrieval is affected.

Paired with [capture software](#) that digitizes your organization and transforms the way you leverage content, Kofax VRS Elite[®] is a patented image enhancement and perfection software that dramatically improves manual scanning productivity and the efficiency of document capture processes. It's like having a quality control operator cleaning your toughest documents and revealing data so you can access accurate information when and where you need it.

Revolutionize Document Preparation

By dynamically evaluating each page and automatically applying the correct image quality settings, including enhancement, deskew, orientation, cropping and format, the solution reduces document preparation time. Color and black-and-white documents can be scanned together without sorting, and improved accuracy of OCR and/or ICR character recognition means fewer manual tasks and less operator intervention.

Produce a Perfect Image Every Time

Eliminate the need to rescan with automatic image correction, regardless of color, size, contrast, condition or content. Simple tools in the document imaging software enable operators to make quick repairs without having to touch the original document.

Improve Downstream Data Extraction and Retrieval

When high-quality images are sent to downstream processes, your success rate for data extraction and retrieval
