40 **DISCUSSION & APPROVAL OF NEW COUNTY BOARD RULES**

41
42 Weibel explained that the discussion and approval of the new County Board Rules would be an
43 on-going item on every agenda, as the committee members worked through each section to the ultimate
44 final draft. The committee discussed current committee structure pros and cons. Suggested changes for
45 consideration: 1) all standing committees 2) an additional Committee of the Whole meeting incorporating
46 the current standing committees of Environment & Land Use; Facilities; and Highway & Transportation.
47 Busey pointed out that at one time there had been a second Committee of the Whole and it was very
48 effective.

49 Other suggestions were to make Justice & Social Services a standing committee; move Facilities
50 to the Committee of the Whole with Finance and Policy.

51
52 Busey believed that the Committee of the Whole with Finance and Policy is very valuable because
53 it is at this meeting where issues are flushed out and discussed with all the board members present. Then
54 there is time between the Committee of the Whole meeting and the County Board meeting for resolution
55 of issues.

56
57 The committee also discussed possible changes to the titles of the County Board Chair, Vice-
58 Chair and Caucus Chairs. There was no objection to the continued use of these titles.

59
60 The committee agreed that it was important for the County Executive to designate an individual
61 who would preside over meetings if he/she is unavailable. The committee discussed whether this
62 individual should be a county board member and if so, would this county board member essentially vote
63 twice in the event of a tie; once as a county board member, then again to break a tie vote.

64
65 Committee members would discuss the suggested changes to committee structure with their
66 respective caucuses and report back at the next meeting. Busey encouraged inclusion of the County
67 Executive in the preparation of agendas; clarifying in the rules that it is ultimately up to the County Board
68 Chair.

69
70 Weibel would summarize the changes discussed for the next meeting. He encouraged committee
71 members to review the Will County Board Rules and Procedures for changes and modifications necessary
72 to the Champaign County Board Rules.

73
74 The next meeting is Tuesday, February 20, 2018 at 4:30 p.m.

75
76 **QUESTIONS FOR ST. ATTORNEY**

77
78 Weibel would check with the State's Attorney regarding the following: *If a county board member*
79 *is designated by the County Executive to preside over a county board meeting at which the County*
80 *Executive is absent; does the county board member retain the ability to vote on the issues?*

81
82 **OTHER BUSINESS**

83
84 There was no other business.

85
86 **ADJOURNMENT**

87
88 The meeting adjourned at 5:30 p.m.

89
90 Respectfully submitted,
