If a member becomes incapacitated permanently or for what appears likely to be a protracted period, or moves from the jurisdiction, or becomes for any other reason no longer qualified to serve, and does not resign, the Chairperson shall promptly notify the Governing Body. The Chairperson may also request that the Governing Body declare that member's seat vacant.

Such list will be received by the Board, although it contains nothing more than a brief statement of the position of the persons favoring or opposing the application together with the signature and address of the persons subscribing to such statement. The Board shall determine the weight to be given to such evidence.

**7.12** Any evidence that any party wishes to have considered by the Board must be presented prior to the closing of the Witness Register (end of public testimony) or, if a Finding of Fact has been approved but the Board has not made a motion for a specific Final Determination, and any party wishes to present new evidence, the new evidence may be presented only upon the majority vote of those Board members present and not abstaining from the final vote.

**7.13** The Board may request any relevant information or evidence from any party only prior to any motion for a specific Final Determination.

**7.14** In the event that the petitioner fails to appear either in person or by agent, the case shall be deemed dismissed unless the Board shall vote otherwise. - 8.2** The Board may consider a request to amend a petition or an appeal prior to or during the course of the public hearing on the issue. In the event that the request to amend is denied, the cause for such denial being stated in the motion, the hearing and decision on the case as it was originally proposed shall proceed.
- 8.3** If the request to amend the petition or appeal is granted, or if a text amendment has been altered, the Board shall determine whether there is a substantial or material difference between the case as it was described in the public notice and the case as amended such as to render the notice insufficient. When there is material difference, a new public notice shall be required before the public hearing of the zoning case may proceed, with fees for the new legal advertisement to be paid by the applicant pursuant to Section 9.3.3(B) 5 of the Zoning Ordinance.
- 8.4** The Board shall also determine whether the nature of the amendment is such as to require re-examination by counsel or staff members having made reports on the original application or appeal. If referral for re-examination is found necessary, the Board may proceed with the hearing, or may continue it to a specified time, and shall not make a final determination on the case until it has considered any revised staff reports that result from the amendment to the petition.
- 8.5** The Board may, upon majority vote of those members present, continue a public hearing in order to receive additional information from staff, the petitioner, other agencies, technical experts, or other interested parties. A request from the applicant or any other interested party to continue the public hearing may be permitted only for good cause. In the event of such continuances, further publication of such action need not be made.
- 8.6** All continuances shall be made to a date certain. The Board shall not grant a request for a continuance for more than 100 days from the date the continuance is requested. The Board shall not grant more than one request for a continuance except in the following

**9.6** Also in the case of a final determination, an initial Motion to Deny which fails shall not be deemed dispositive, and an alternate motion shall be made.

**9.7** The Summary of Evidence and the Findings of Fact and Record of Decision of the case shall be acknowledged as to accuracy by the Secretary and the Chairperson, and shall be part of the public record of the Board.

<b>MEETING PROCEDURE</b>						
To Amend the Order of the Agenda	Y	Y	Y	Voice	Majority of those present	For various reasons including but not limited to failure of the petitioner to appear, inconvenience, or expected length of the hearing, any member may move to alter the order, but not the content of, the agenda. (6.7)
To Approve Minutes	Y	Y	Y	Voice	Majority of those present	Action to approve the minutes from previous meeting(s). The minutes are amendable to improve clarity, accuracy, and completeness, but not to re-open a debate on a previously decided agenda item. Failure of an affirmative motion would require evaluation of hearing tape and resubmittal of minutes by staff.
To Extend the Time to Adjourn	Y	N	Y	Voice	Majority of those present	The Board may vote to extend the adjournment time in order complete deliberation on a particular item or items. (5.10)
To Adjourn	Y	N	N	Voice	Majority of those present	Always appropriate, however, this motion is best used when all agenda items have been decided or continued to a set date.

<b>GENERAL PROCEDURE CONTINUED</b>						
To Suspend the Rules	Y	N	N	Voice	5	Where, in extraordinary circumstances, established rules would hinder rather than promote effective deliberation, specific rules may be suspended for a time within a meeting. The reasons for such suspension should be entered into the minutes of the meeting. No rule may be suspended which is otherwise required by the Zoning Ordinance or by law. (12.3)
To Overrule the Chair on a Matter of Procedure	Y	Y	N	Voice	Majority of those present and voting	A right of members to challenge the actions of the Chair, so as to ensure that proper procedures are followed, and not to impede the deliberation or decision of the Board.
Point of Order	N	N	N	None	NA	A right of members to request that the Chair follow proper order. The intent is to ensure proper progress of deliberation, and not to contest the action of the Chair as in a Motion to Overrule the Chair. The Point of Order seeks to address an immediate concern, and not to debate larger procedural issues. Repeated use of a Point of Order to delay or frustrate decision making is inappropriate.

Friendly Amendment to a Previous Motion	Approval of Second Required	N	Y	None	NA	Procedural or Substantive (Main) Motions may be amended. If the amendment is seen as "unfriendly," it must be debated and decided first. All amendments to previous motions must be decided prior to deliberation and vote on the Main Motion.
Unfriendly Amendment to a Previous Motion	Y	Y	Y	Voice	Majority of those present and voting	
To Divide a Motion	Y	N	Y	Voice	Majority of those present and voting	Where a motion has been both moved and seconded and is under deliberation, but where that motion is complex. Any member may seek to divide the motion, thereby permitting individual votes on specific issues, such as Findings of Fact. A substantive motion dividing the requests of a single petition CANNOT be divided.

The motion is appropriate only where a) crucial information not available at the time of the initial vote is now available; or b) there has been a substantial change of circumstances since the initial vote. The absence of one or more Board members at the time of the initial motion, does NOT constitute a change of circumstance. In the event a Motion to Reconsider passes, the item is re-presented in total, after which, a new Main Motion may be made. (7.6)
To Request the Chair Rule on the Admissibility of Specific Evidence	N	N	N	None	NA	Any Board member, petitioner, or other interested audience member may request that the Chair Rule on the admissibility of specific evidence or testimony, such as petitions, visual aids, etc. (6.12)
